Strengthening Labor Relations in East Africa (SLAREA)	This project aims to promote the effective administration of labor law, conflict resolution, industrial relations, and collective bargaining in Kenya, Tanzania and Uganda. Activities include: Developing a handbook for employers or potential investors regarding national labor legislation. Conducting train the trainers seminars for labor officers and labor inspectors on the provisions of the national legislation, international labor standards, the methodology of inspection, and training in social dialogue, negotiation techniques, mediation and conciliation and public sector bargaining. Conducting train the trainers courses for trade union and employer representatives on basic economics of enterprise, international labor standards, negotiation techniques and collective bargaining. Funded and implemented by International Labor Affairs Bureau.	Human Resources & Labor Standards	496,667
The Global Trade and Technology Network (GTN)	GTN is an international trade lead matching and technology transfer network that helps small and medium-sized enterprises build trade and business linkages, identify investment opportunities and access new technologies. GTN firms are connected by an Internet-based trade lead matching platform that facilitates trade through on-line matching of technology needs with firms that can provide the product or service requested. GTN builds the capacity of firms to engage in international trade by increasing SME access to commercial information and global markets through an all horizons trade initiative that promotes trade in any GTN country in any sector. GTN also facilitates bilateral trade and technology transfer with the United States. GTN’s electronic commerce platform enables firms to establish international trade linkages such as joint ventures, direct sales and purchases, and agent or distributorships. Funded and implemented by USAID/EGAT/BD.	Export Promotion	62,500
		Business Services & Training	62,500
